RETIRED MANUFACTURER NOW

ENDORES IT

...about a year ago I had a bad fall

that put me in a hospital for several

weeks. After I left the hospital my ap-

petite dwindled away to almost nothing,

my liver was out of order and my whole

system was toxic. I suffered with fre-

quent headaches and was nervous, weak

and rundown. I started Sargol and ev-

erything changed for me. I have a good

appetite now, don't suffer with indiges-

tion like I did and my whole system is

strengthened, invigorated and generally

improved.

Sargol Pills reconducted my liver,

awful dizzy spells that used to come on

me are clearing up, my headaches have

entirely disappeared, my color is clear and

healthy looking and constipation that was

chronic with me is entirely relieved.

Philip Schneider, 45 Union Square,

Somerville, Mass., who is a retired man-

ufacturer.

Sargol may be obtained in Norway

from Ashton's Drug Store.
